ABOUT

Azure is Microsoft's public cloud platform. Azure offers a large collection of services, which includes platform as a service (PaaS), infrastructure as a service (IaaS), and managed database service capabilities.

PROGRAM

Microsoft for Startups is an exclusive program that provides qualified B2B startups with technology and business enablement resources (**Up to \$120K worth of credits**) to help rapidly build products and accelerate business growth, while providing opportunities to sell with our strong partner ecosystem and alongside Microsoft sellers.

CRITERIA

- You offer an innovative technical solution that supports customers in their digital transformation.
- Less than seven years in existence.
- Less than \$25M in total annual revenue.
- Seed, Series A, B, or C stage.
- Refer to the FAQ at the bottom of this [link](#) for more information and additional requirements.

ACTIVATION

- You can apply for the credits by completing EC partner application form.
- Upon receiving your application, Microsoft will notify you within 5 - 10 business days with a status update or to discuss additional details, when required.
- Please note, submitting an application does not guarantee acceptance into the program.

JOIN TO CLAIM

ABOUT

IBM Cloud provides solutions that enable higher levels of compliance, security, and management, with proven architecture patterns and methods for rapid delivery for running mission-critical workloads.

BENEFITS

- Up to \$120K in IBM Cloud Credits valid for 2 years.
- AI functionality by integrating Watson API. Launch in both Bare Metal & Virtual servers and utilise GPUs, CPUs, Bandwidth & Storage.

JOIN TO CLAIM

ACTIVATION

- Credits are activated by completing an IBM application form and indicating EC's organisational ID.
- By enrolling into the Builder tier, startups receive automatically **\$1000** credits per month.

SUPPORT

- For support and FAQs, follow this [link](#).
- To apply for an increase to \$10,000 credits per month, access the Member Portal once the account is activated.

ORACLE for Startups

ABOUT

Oracle for Startups is a global program that creates mutually beneficial partnerships by connecting startups to amazing opportunities and customers to exciting startups.

BENEFITS

Once enrolled in the program, startup benefits include:

1. **\$500** in free cloud credits.
2. 70% discount on Oracle Cloud from day one, with an extra credit grants available.
3. Access to:
 - Experienced mentorship network.
 - Tech & business focused virtual workshops/webinars led by Oracle Executives and Oracle Cloud Architects.
 - Tutorials via the virtual library & technical “Getting Started” resources for Oracle Cloud Infrastructure.
 - Specialised migration assistance and technical support to be supported free of charge via the Oracle for Startups dedicated Cloud Architect team.
